Dr. Nilda Perez is a Doctor of Strategic Leadership and Licensed Clinical Social Worker with 30 years of forensic clinical experience. Founder of the NeuroLegal Institute™ and creator of the NeuroLegal Method™, NeuroLegal EvalOS™, and The Five Neurobiological Patterns™, **she built the first clinical-legal framework to translate trauma-informed evidence for credibility-driven legal environments.** She operates an AI-native forensic practice and teaches clinicians to build visible authority through the Clinical Authority Workshop™. Attendees leave with the language, the framework, and the positioning to close the gap between clinical truth and legal credibility.
